

24
MONTHS WARRANTY

- Long life
- Maintenance free
- Higher cranking power
- Leak proof

AMARON
HARVEST
TRACTOR BATTERIES

LAST LONG, REALLY LONG.

The future of batteries. >>

Amaron Harvest™ Batteries come to you from Amara Raja Batteries Limited (ARBL), the largest manufacturers of Stand-by VRLA Industrial Batteries in the Indian Ocean Rim Region and Johnson Controls Inc., leading auto battery makers in the Americas and world leaders in Automotive Systems and Controls.

What makes Amaron Harvest™ Outstanding?

Our batteries are made in an ISO 9001, ISO 14001 and TS 16949 certified plant using world class technology and quality controlled parameters, developed on JCI's international time tested process standards, making Amaron Harvest™ a LONG LIFE, HIGH PERFORMANCE and MAINTENANCE FREE battery.

Amara Raja supplies automotive batteries to Ashok Leyland, Fiat, General Motors, Hindustan Motors, Honda, Hyundai, Mahindra & Mahindra, Maruti & Tata Motors and is also an exclusive supplier to Daimler Chrysler, Ford and Swaraj Mazda.

Battery types 75Ah - TRA 500 D31R/L 90 Ah - TRA 600 H29R/L

Amaron Harvest™ Design Features and Benefits

Long Life

- The robust plate design provides extra strength and improved corrosion resistance.
- The glassmat lined enveloped PE separator virtually eliminates electrical shorts caused by vibration and shedding of active material.
- The solidium weld system (a patented alloy mix) eliminates weld corrosion.
- Ribbed container surface profile with stands temperature extremes and resists shock vibration damage. These unique features make the Amaron Harvest™ suitable for applications on rough terrain and enhance life.

Maintenance Free

The special hybrid alloy system minimizes water loss, making the battery maintenance free and promotes longer life.

Ready to fit

Factory charged, wet shipped. Patented BIC vents.

Higher Cranking Power

19mm lugs and largest intercell welds reduces electrical resistance and provide increased cranking performance.

Leak proof

Labyrinth Type Duplex Cover that makes the battery safer and leak resistant.

Warranty

Every Amaron Harvest™ Battery comes with 24 months pro-rated warranty.

- A comprehensive 18 months free replacement warranty that commences right on the date of purchase against manufacturing defects.
- An additional 6 months pro-rata warranty that allows customers to claim rebate corresponding to the period of usage against a new purchase up to 24 months from the date of purchase.
